Dear Maggie:

Your donation of \$400.00, collected during the Trying to Reason with Monsoon Season Party, is truly saving lives. Your support is so appreciated! Your gift helps more than 20,000 pets and the people who love them every year. We rely entirely on the support of the community—it is all because of people like **you** that we are able to make a difference in the lives of so many animals. Thank you!

Meet Pickles, a two year old lovebug who was brought to the shelter in March with a suspected case of rat poisoning. Over the months Pickles received medical treatment and recovered through the loving care of a HSSA foster family. Finally, that lucky day came for Pickles in July as she was adopted into her loving forever home!

The Humane Society of Southern Arizona is the oldest and largest nonprofit animal welfare organization in Southern Arizona. Your support stays right here, helping those in need in our community. As we celebrate our 70th anniversary, we thank you for your generosity, allowing us to help pets and the people who love them.

If you have questions about becoming involved, planned giving opportunities or making a monthly recurring gift, please contact the Development Department at at 321-3704, ext 174.

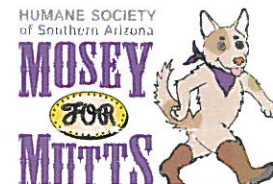

With heartfelt thanks,

Morgan Lynne Matchett
Associate Director of Development
